4. DELIVERY

Standard lead time 3 weeks from purchase order to delivery
Delivery notice required None beyond standard PO lead time
Shipping delay notification Supplier to notify within 24 hours of any expected delay to a confirmed delivery window

5. QUALITY AND ACCEPTANCE

Delivered goods are subject to inspection by the receiving team upon arrival. Discrepancies (quantity, origin mismatch, quality defects) must be logged against the purchase order and reported to the Supplier within 5 business days of delivery, per the Billing Dispute and Credit Policy. Payment for the disputed portion of an order is withheld until resolved.

6. TERM AND RENEWAL

This Agreement renews annually. Either party may request renegotiation of pricing or volume terms with 60 days' notice ahead of the renewal date. Absent renegotiation, terms carry forward unchanged.

7. BACKUP SUPPLIER PROVISION

The Buyer reserves the right to source a secondary supplier for volume above the committed minimum without breaching the primary-supplier designation in this Agreement.
